

Department of Public Works

Town of GREENFIELD, MASSACHUSETTS

Town Hall, Greenfield, Mass, 01301 Phone: 413-772-1528 Fax: 413-773-9593

The Greenfield Department of Public Works is pleased to announce the following expansion to our container recycling:

Empty aerosol cans that can be accepted:

- Health and Beauty products: sun block, first aid spray, hair spray, hair mousse, deodorant, and shaving cream
- Food products: cooking spray (i.e., PAM), whipped cream, aerosol cake frosting
- Laundry products: spray starch, anti-static spray
- Air Fresheners

Preparation for recycling:

All acceptable containers must be **EMPTY**. All lids should be removed and discarded with your trash. Do **not** puncture, pierce, flatten, or remove nozzles prior to recycling.

Aerosol cans that cannot be accepted:

Empty aerosols that once contained spray paint, insecticides, cleaning products, craft products, adhesives, automotive sprays, waterproofing sprays, and lubricants, to name a few, will not be accepted for recycling. Once these are emptied of their contents they can be disposed with your solid waste.

Please call 772-1528 for any other questions or visit our website at www.greenfield-ma.gov.

The Town Of Greenfield is an Affirmative Action/Equal Opportunity Employer
