## **New Wood Pellet Bag Recycling Program**

The Franklin County Solid Waste District has coordinated a new program for residents to recycle empty wood pellet bags. Using grant funds from MassDEP and a state Community Innovation Challenge Grant, the District has purchased and distributed small sheds to collect and recycle wood pellet bags.

This is a pilot program and can only accept pellet bags – no other plastic bag or plastic film product. Bags must be dry and empty. It's very important for participants to follow the guidelines so that all material can be recycled and not rejected by the end market.

In collaboration with the Greenfield DPW, the District has used grant funds to purchase a large storage trailer for pellet bags. Residents in Greenfield may deliver pellet bags to the Greenfield Transfer Station during normal operating hours. There is no fee.
