DISCUSSION: Councilor Lobik stated the Ways and Means Committee forwarded a unanimous positive recommendation. Ms. Kelly and Chief Haigh discussed the following with the Councilors:

- Unit A patrolman's contract had been finalized; the dispatch was for back-pay from July 1, 20165.
- Hesitancy to appropriate funds for an unsettled contract; this sets precedence.
- This was a gesture of good faith towards the dispatch workers.
- Contract stabilization accounts were a gesture of good faith for all employees.

MOTION: On a motion by Councilor Mass, second by Councilor Ricketts, it was unanimously,

VOTED: TO GO INTO EXECUTIVE SESSION FOR THE PURPOSE OF DISCUSSING CONTRACT NEGOTIATIONS AT 9:37 PM.

President Allis stated the Town Council reconvened from Executive Session at 9:54 pm. He stated that while in Executive Session no votes were taken and discussion was held regarding union negotiations.

Discussion continued regarding the following motion: THAT IT BE ORDERED, UPON RECOMMENDATION OF THE MAYOR AND IN ACCORDANCE WITH MASSACHUSETTS GENERAL LAWS, THAT \$45,000 BE APPROPRIATED FROM THE CONTRACTUAL AGREEMENT STABILIZATION FUND TO THE NEGOTIATED SALARY ACCOUNT LINE ITEM FOR THE SETTLEMENT OF CONTRACTS.

- It was not uncommon in the private sector to do this.
- Dispatch deserves the benefit.
- Inclined to table the measure until contracts were settled.

MOTION: On a motion by Councilor Ricketts, second by Councilor Burge, it was unanimously,

VOTED: TO CALL THE QUESTION.

It was by majority, 2 no,

MOTION: On a motion by Councilor Ricketts, second by Councilor Renaud, it was,
MOVED: THAT IT BE ORDERED THAT THE GREENFIELD TOWN COUNCIL APPROVES THE RESOLUTION TITLED “COMPLETE STREETS RESOLUTION: TOWN OF GREENFIELD, MA”.

Complete Streets Resolution: Town of Greenfield, MA

WHEREAS, Complete Streets are designed and operated to provide safety and accessibility for all the users of our roads, trails and transit systems, including pedestrians, bicyclists, transit riders, motorists, and for people of all ages and of all abilities; and

WHEREAS, The Town shall make Complete Streets practices a routine part of everyday operations, shall approach every transportation project and program as an opportunity to improve streets and the transportation network for all users, and shall work in coordination with other departments, agencies, and jurisdictions to achieve Complete Streets; and

WHEREAS, Complete Streets will create a comprehensive and integrated transportation network for all users of all modes with particular emphasis on the safe consideration and integration of bicyclists and pedestrians in the Town of Greenfield; and

WHEREAS, The Town of Greenfield Complete Streets policy will focus on developing a connected, integrated network that serves all road users. Complete Streets will be integrated into policies, planning, and design of all types of public and private projects, including new construction, reconstruction, rehabilitation, repair, and maintenance of transportation facilities on streets and redevelopment projects; and

WHEREAS, Complete Streets principles include the development and implementation of projects in a context-sensitive manner in which project implementation is sensitive to the community's physical, economic, and social setting. The context-sensitive approach to process and design includes a range of goals by giving significant consideration to stakeholder and community values.

NOW, THEREFORE, LET IT BE RESOLVED that the Greenfield Town Council hereby strongly endorses a Complete Streets approach for the Town of Greenfield to enhance transportation options and to improve quality of life for its residents.

BE IT FURTHER RESOLVED that Complete Streets practices will become a routine part of the everyday operations for Department of Public Works and Department of Planning, and that Complete Streets design principles will be considered for the planning, design, approval, and implementation of all transportation projects and processes for construction, reconstruction, retrofit, maintenance, alteration, or repair of streets, bridges, or other portions of the transportation network.

BE IT FURTHER RESOLVED that a Complete Streets Task Force comprised of stakeholders appointed by the Mayor and approved by the Town Council will be created to implement this initiative. The Complete Streets Task Force will include representation from: Department of Public Works, Board of Health, Planning & Development, Recreation, Inspection and other committees, departments or organizations as appropriate. This Task Force will ensure the implementation of the Complete Streets Policy and, where necessary, alter existing practices and overcome barriers that may act as impediments to implementation. In addition, this Task Force will regularly update and solicit feedback on potential projects with the general public to ensure that the perspectives of the community are considered and incorporated, as appropriate.

BE IT FURTHER RESOLVED That transportation infrastructure projects, including but not limited to roadway reconstruction, roadway reconfigurations, or subdivisions may be excluded upon approval by the Complete Streets Task Force, where documentation and data indicate that any of the following apply:

- Roadways where specific users are prohibited by law, such as interstate freeways or pedestrian malls. An effort will be made, in these cases, for accommodations elsewhere.

- Cost or impacts of accommodation are excessively disproportionate to the need or probable future use.
- The existing right of way is constrained in a manner that inhibits addition of transit, bicycle or pedestrian improvements. In this case, the Town shall consider alternatives such as lane reduction, lane narrowing, on-street parking relocation or reduction, signage, traffic calming, or enforcement.

BE IT FURTHER RESOLVED that the Town will utilize the latest design guidance and standards available in the implementation of Complete Streets, including:

- The Massachusetts of Department of Transportation Project Development and Design Guidebook
- Pioneer Valley Planning Commission's Healthy Community Design Toolkit
- The latest edition of American Association of State Highway Transportation Officials (AASHTO) A Policy on Geometric Design of Highway and Streets
- The United States Department of Transportation Federal Highway Administration's Manual on Uniform Traffic Design Controls
- The Architectural Access Board (AAB) 521CMR Rules and Regulations
- The National Association of City Transportation Officials Urban Bikeway Design Guide
- The ITE Designing Walkable Urban Thoroughfares: A Context Sensitive Approach
- Documents and plans created for the Town of Greenfield, including: The 2013 Master Plan "Sustainable Greenfield" and the 2012 Open Space & Recreation Plan.
