ADDENDUM # 3

Date: September 11, 2015

RFQ TITLE: TOWN OF GREENFIELD EMERGENCY GENERATOR
PROJECT

RFQ #: 16-06

The following changes and updates have been made to this bid:

SECTION “ADVERTISEMENT FOR BIDDERS”:

The deadline for receipt of bids has been extended from September 16 to September 23, 2015.

SECTION 1, INFORMATION FOR BIDDERS:

Paragraph 1.5, QUOTE SUBMISSION: The deadline for receipt of bids has been extended from September 16 to September 23, 2015.

SECTION E, SCOPE OF WORK:

Paragraph 2.4: Location of the new generator set will be outside at the northwest corner of the building.

Paragraph 2.5 (point 2): Install ATS in building and generator set on a concrete pad located outside at the northwest corner of the building. Pad shall be provided by Owner. Pad size, as well as anchor bolt size and location information to be provided by Contractor.

Paragraph 2.5 (point 3): Determine number of conduits, size, and location. Owner will provide and install conduit under direction of Contractor. Contractor to supply conductor feeders and install in conduit. Contractor to make all terminations.

Paragraph 2.11: The emergency generator is to be installed on a concrete pad provided by Owner outside at the northwest corner of the building. Pad size, as well as anchor bolt size and location information to be provided by Contractor.
