**Re-roofing of DPW Garage
Contract 17-6
Addendum #1**

July 7, 2017

To all Bidders:

Under Special Conditions, add the following new sub-section:

1.7 **Submittal Procedures.** After signing the Contract, the Contractor shall review, approve in writing, and submit to the Engineer all required shop drawings, product data, samples, and similar materials as required in the Materials sections. Contractor shall not order materials until submittals have been approved by the Engineer.

- Submittal form to identify Project, Contractor, subcontractor or supplier; and pertinent Contract Document references.
- Apply Contractor's stamp, signed or initialed, certifying that review, verification of Products required, field dimensions, and coordination of information is in accordance with requirements of the Work and Contract Documents.
- Identify variations from Contract Documents and Product or system limitations which may be detrimental to successful performance of completed Work.
- Revise and resubmit submittals as required; identify changes made since previous submittal.

Under Section 07 22 00 of the Specifications (Roof Insulation), add to sub-section 2.1A the following:

4. Or approved equal

Under Section 07 53 00 of the specifications - Elastomeric Membrane Roofing – Fully Adhered, add to sub-section 2.1A the following:

4. Or approved equal
