Addendum #1**

**April 19, 2018**

To all Bidders:

1. Under Forms for Bid, replace the Proposal Form with the attached revised Proposal Form. The estimated amount of tonnage of bituminous concrete binder and top courses has been increased as well as the estimated linear feet of 6" bituminous concrete cape cod berm.
2. Under Appendix B Contract Drawings, replace Sheets 1 and 2 with the attached revised Sheets 1 and 2 dated 4/19/18. Replacement of the existing asphalt berm around the landscaped island has been added to the scope of work. The smaller landscaped island shown on the plan is no longer there so the plans have been updated to reflect this.
