**Maintenance Dredging of Upper Glen Reservoir
Contract DPW 19-04
Addendum #1**

August 20, 2018

To all Bidders:

1. This is to correct and clarify the engineer's opinion of probable cost. The Central Register Ad listed the estimated cost at \$200,000. This is incorrect. The estimated cost is \$100,000 per year for a total of \$500,000 for the total 50,000 CY of sediment.
