Name of Applicant: _____

Applicant is: (circle one) **Owner** **Tenant** **Licensee** **Consultant** **Developer** **Other:** _____

Mailing Address: _____

Phone: _____ Email: _____

Name & Address of Owner if not the Applicant: _____

Check Type of Connection:

Residential:

- This includes all single and two family individual dwelling units, not including subdivisions.
- Applications for residential Stormwater Connection Permits must be submitted at least 10 working days prior to the proposed connection date.

Nonresidential:

- This includes all multifamily dwellings, subdivision, commercial, industrial and institutional uses and requires the submittal of a Stormwater Management Plan.
- Include two copies of the plan along with this application
- See §381-9 of the Stormwater System Regulations for details of the plan submittal requirements.
- Applications shall be submitted at the same time as the submittal of the site plan application if site plan approval is required, or 30 working days prior to the proposed connection date if site plan approval is not required.

In addition to the Stormwater Connection Permit, the applicant must obtain an Excavation\Trench Permit (street opening permit) from the DPW.
