**Board of Health – Meeting Minutes
June 14, 2017**

Members:

- Present: **Dr. William Doyle** (Elected), Chair. (June, 2020)
- Present: **Steven Adam**. (June, 2019)
- Present: **Nicole Zabko**, Successor Qualified.
- Present: **Tammy Mosher**. (June, 2018)

Also Present:

Greg Lewis –Public Health EP Planner FRCOG

1) Meeting Called to Order @ 5:30

2) Emergency Preparation: closed POD's - Greg Lewis

-Closed PODS, old agreement was too long and too daunting. Not binding – more of a note:

GL has talked with Charlene Manor – mutual benefit – will decrease EDS throughout- helps site to not have to bring everyone to EDS: Goal to keep people out of EDS.

FC- long-term care centers that we can tap into- they have medical staff.

-More partnerships in time of emergency. The better off you are.

GL- motivation is to make things easier for Greenfield.

Doyle- drill down; what is assistance from MAPHCO? GL is only staff person.

Doyle? Tabletop? Why are we not focusing on drills

GL- I will focus on that; this next fiscal year, there will be a focus on drills; CDC has added assembly drill

NZ- Flow at Greenfield High School way better than middle school

GL- public safety is willing partners; meds will be delivered by state; BOH would use EOC to request Medical counter measures.

-People with mobility issues prohibit an efficient EDS

-People can collect their households

Doyle- what about shelters?

GL- Shelter planning happens at multi level, plus outside agencies (ex. Red cross); Regional shelters are now standing- up (Greenfield/Montague)

-dust of plan – EDS in Fall

MOA Agreement- if BOH agrees; GL would start outreach to organization.

Charlene Manor; Greenfield Gardens, GHA

-Only thing today – is approval of template

TM- long term care should be 1st to be approached

-Decreased Staff Mobility of folks in rehab

TM- GVN associations, Overlook

Doyle- can you give examples: 1) anthrax 2) bacterial tularemia 3) technology/gene, crisper machine can manipulate genetics

Doyle- Faith in Greg helps with support

SA- Motion to approve PODs MOA with edits

GL- will meet with new director asap and then will come back to BOH with EDS mini-drill timeline

Doyle- wants to visit High School.

3) Cancer incidence DPH report for Greenfield

TM- does it include children?

NZ- I think so, but I will double check

Doyle- Nothing jumps out

-no significant/ outrageous increase in cancer

4) Review of Regulations to Consider

5) Updates

A) NE- TM- Tapestry needs brick and mortar with expenses; BOH very disappointed

Doyle- what they are doing now is bothersome, how is interaction occurring? Follow through? How are assessments happening? Mayor is against; Doyle-Salvation Army property.

B) ---

C) HD- Doyle wants to talk with Board of Health

6) Meeting adjourned at 7:37

Respectfully Submitted,

Approved: BOH Chair Dr. William Doyle
