FENCING AT GREENFIELD HIGH SCHOOL ADDENDUM #1

The following information is offered to clarify several questions that have arisen:

- Chain link fabric specified shall be 9 gauge core 8-gauge thermally bonded fabric
- Terminal posts shall be black SS40 3 inch posts.
- There will be two (2) gates on the east side of the property. Each gate will be 16' wide.
- The new fence can be installed no less than one (1) foot nor more than two and one-half (2 ½) feet inside the existing fence line.
- The Department of Public Works will remove the largest trees from the fence line. Exactly which ones will be determined by the winning bidder and the City at a kickoff meeting.
- The prevailing wage information did not include a bob-cat or skid steer operator. That information will be supplied prior to the due date for bills.
- The due date for bids has been extended to June 20, 2016.
