YES, I want to enroll. The IRS regulation states these conditions: 1.) any expenses you incur must be within the plan year. 2.) Any expenses you incur must not be covered by any other source such as insurance. 3.) You must provide proper documentation in order to receive payment. 4.) You cannot change or revoke your elections during the plan year unless there is a specific change of status and your employer allows such changes. **NOTE:** Enrolling may have a minor effect on your social security benefits. Please seek appropriate advice.

PLEASE NOTE: If you previously requested additional debit cards for your spouse or dependents, their debit card will automatically have access to new Plan Year elected funds. Please call our office to communicate changes.
