Good Morning

I am writing on behalf of Greenfield Council on Aging. They are requesting the maximum number of members stated in the City Charter to be changed from 15 to 11 due to ongoing unfilled vacancies across several years. The COA unanimously approved this change in a ByLaws review in July of 2019. Document attached for your reference.

If you have any questions, please feel free to reach out. The current COA members are copied on this email.

Thank you for all of your work on updating the City of Greenfield Charter, no small task. And thank you for your attention to this matter regarding the maximum number of COA members.

Sincerely,
Hope Macary
