Christopher Sykes

*** TECHNICAL DIFFICULTIES WITH ZOOM – SHORT MEETING***

Meeting called to order at 4:05 p.m.

Approval of Minutes: 12/4/19 minutes – tabled.

First National Bank - meeting with Finepoint Associates & Friends of the First National Bank (FOFNB): In consultation with MassDevelopment, this project has been tabled – municipal staff supporting this project have been assigned to assist with municipal emergency response to Covid-19 (specifically MJ Adams and Lindsay Rowe); observing that the creative economy is being hard hit by this emergency, we will check in after April 7th to determine next steps.

I-91 Industrial Park Expansion Update: City staff (MJ Adams & Eric Twarog) met via ZOOM with staff from Tighe & Bond and with Beth Murphy (MassDevelopment). Reviewed preliminary subdivision layouts and cost estimates. No surprises. Asked T&B to do additional design work (and cost estimates) so that the sites would be market ready. MJ left message for Mackin that we are moving forward with design work.

Other Business: Public records request of payroll for GRA staff and annual reports.

Adjournment: The meeting was adjourned at 4:20 p.m.
