RFP 16-05

MILLBROOK WELL FIELD SOLAR ARRAY

ADDENDUM #1

The following information is issued to clarify some issues on the RFP:

1. The entry for the public opening on page 7 is incorrect. The bids will not be opened publicly.
2. Parties interested in attending the site visit should note that the time for the site visit on page 7 in the RFP is incorrect. It should read 10:00 a.m. not 1 p.m.
3. Due to difficulty in locating the Mill Brook Well Field, the site visit and pre-bid conference will begin by meeting at the Cherry Rum Plaza parking lot located at 471 Bernardston Road in Greenfield, MA, at 9:45 am. Bernardston Road is also Routes 5 & 10 and the parking lot is directly south of Route 2 on the east side of the road. Please park in the rows to the east of the Bank of America ATM machine so that we can meet and promptly drive to the site.
4. A wetlands delineation map and a site map are attached for your information.
5. On page 9 of the RFP, several references to attachments are incorrect. Under "E. Permits and Licenses" the reference should be to Attachment E, not G. Under "F. Insurance requirements, the reference should be to Attachment D, not E.
