- The subject was polarizing; we need to bring people to the table for discussion.
- At one time the Corridor Overlay District was a bustling business community.
- Torn which way to vote; Greenfield needs businesses; lots of negative comments related to the change.
- Unless Greenfield starts welcoming business, regardless of the business, they will all go elsewhere.
- Unsure what "green entrance" people are talking about, it is a sandbank.
- People always comment when they "don't" want something but are never here when it is something they "do" want.
- There is plenty of opportunity in this town if people want to put the work in.
