

The Franklin Regional Council of Governments invites you to:

# Legal Marijuana: Municipal Options and Responsibilities

## Local Official Workshop Series for FY 2018

Free trainings to build the skills of Franklin County local officials

Recreational marijuana use is now legal in Massachusetts, and following the passage of state legislation, there is new information for local boards. This workshop will cover where we are now and what has changed since the passage of the legislation, including:

- Planning Boards: Zoning for retail, growing, and processing operations
- Select Boards: Process for a temporary moratorium, local licensing and taxation options
- Boards of Health: process for licensing and inspection.
- Everyone: Steps to take to protect children from exposure

**Presenter:** Margaret Hurley, Director, Municipal Law Division, Office of the Attorney General & Kat Allen, FRCOG Partnership For Youth and Communities That Care Coalition

RSVP required: (413) 774-3167 (ext.101) or [registrations@frcog.org](mailto:registrations@frcog.org). *Light refreshments will be provided*
