Mayor Martin Announces Free Holiday Parking

Mayor William Martin has announced that the City will offer free parking at all metered spaces on the street and in parking lots on Fridays and Saturdays beginning the day after Thanksgiving.

- Fridays & Saturday – Free parking at all metered spaces and parking lots
- Sundays – Always free parking

"We try to accommodate the shoppers and local businesses with free parking during the holidays. We hope that this small gesture encourages local shopping and brings our community together in the spirit of these holidays," said the Mayor.

All other parking regulations will continue to be enforced. In particular, on Fridays and Saturdays parking spaces labeled "Permit Only" will continue to be for permit holders and the Olive Street Parking Garage displays the fee structure with the 1st hour free.
